Monday 7 January 2008
6.45pm – 10pm

As people enter the comedy night, names will be collected from people willing to participate. Of those names collected twenty (20) will then be drawn to make up the competitors.

The first group of ten (10) will be asked to make a joke on a given word.
As an example - the word might be “fish”, so each person needs to make up a joke based around that topic / word. e.g. “The Irish fish cannot swim in the Dead Sea”
Each round the two (2) people that told the worst jokes will be eliminated. The last round will see the last two contestants telling two jokes a piece to battle it out and win a BIG prize.

The second team of ten (10) will be asked to mime a given word / theme.
As an example – “a monkey eating a banana”.
Each round the two (2) worst mimics will be eliminated. The last round will see the last two contestants doing two (2) different miming sequences to battle it out and win a BIG prize.

So come on, this is a great chance for you to win some big prizes – come and join the fun!
